

### **Ultimate Protection**

COMMERCIAL

Elem

INSTITUTIONS

# **Protection You Need**

- go(1-16)

PROTECT classrooms and furniture from extreme weather
 SHIELD your students and staff from harmful threats
 SECURE, 24-hour daily, weekend, and extended holiday protection

# **Security Rolling Shutters**

#### OPERATION

- Spring assist manual or powered operation options
- Control effortlessly with a switch, remote, Wi-Fi, or an app
- Smooth operation with low maintenance design
- The curtain rolls into a compact coil allowing a minimal size and sleek box housing design
- Multiple features ensure secure protection from vandalism and force

#### MATERIALS

- Minimal size, high-tech roll-formed aluminum box housing
- Durable frame resists forced entry and daily wear
- Commercial-grade aluminum Environmentally friendly materials
- Multiple curtain strengths, designs, and colors exceed the requirements of any application
- High security that will enhance the aesthetics and function of schools and educational facilities
- Shutters provide additional energy savings during the winter and summer

### FRAME & CURTAIN COLOR OPTIONS

- Not all series are available in all colors; contact your dealer for options
- Additional charge for dark bronze, black, and custom colors

 BOTTOM BAR OPTIONS
 57 mm (2.25 in) or 60 mm (2.36 in) Standard Bottom Bars

• 75 mm (3 in) Heavy Duty Bottom Bar

- Eliminating glass breakage, reducing ongoing maintenance costs
- Deters intruders, giving you absolute peace of mind after school hours
- Creates a fully secure and protected school at the press of a button

- Effortlessly creates a secure barrier protecting staff and students
- Provides a durable shield from
  extreme weather conditions
- Blocks damaging sunlight from fading carpet and school furniture

- Protects your school premises from active shooters and stop intruders
- Enjoy peace of mind by being able to "lockdown" immediately
- Protects school from crimes of opportunity with visible security

#### SHUTTER CURTAIN STYLES AND SIZING

Pentagon DefendaGuard curtain styles are finished in industry-leading coatings and provide options for visibility. Our engineered slats offer enhanced security and add to the visual appeal of your facility.
